Dear Subscriber: -

Here is the Bibliography that you have been waiting for and it is my hope that it meets with your approval. I have done my utmost to make it perfect.

For five years I have been working on it and I have spent more time, labor and money than I expected I would be called upon to spend. If this volume meets with your approval, then I shall not regret the outlay although I get no remuneration for my labor.

In order to make me useful to you and others, who will follow in your foot-steps and mine, please bear in mind to inform me of items that do not appear therein, or which may be published hereafter, so that the supplement to be issued in a few years will be as complete as you and I can make it.

Cordially and fraternally,

JOSEPH BENJAMIN OAKLEAF.
