PHI DELTA THETA
GES DINNER

SPLENDID BANQUET HELD IN CHAPTER HOUSE.

Decorations a Feature of the Occasion—Excellent Music by Quartet.

The Phi Delta Theta fraternity entertained friends Saturday evening at their chapter house on Highland ave.

The main rooms and the halls were decorated in a way that only the chapter house on Highland avenue could display. The hall was hung with bows of green, white and gold, and was scattered with the red and gold decorations which were sybling the chapter house. The ceiling was painted a light yellow, and the left wall was covered with a large banner, with the Phi Delta Theta emblem in the center. The right wall was decorated with a large portrait of the late President R. G. L. C. L., and the center of the room was occupied by a large table, covered with a green cloth, and the chairs were decorated with flowers. The music was supplied by a quartet, consisting of Mr. L. V. Gehr, Mr. L. L. Thomas, and Mr. L. L. Giesey, who rendered some very good selections. The music was of a very acceptable character, and the evening passed pleasantly. The main rooms and the halls were decorated with flowers and balloons, and the music was supplied by a quartet, consisting of Mr. L. V. Gehr, Mr. L. L. Thomas, and Mr. L. L. Giesey, who rendered some very good selections. The music was of a very acceptable character, and the evening passed pleasantly. The decoration of the hall was very tasteful and inviting, and the music was very acceptable. The music was supplied by a quartet, consisting of Mr. L. V. Gehr, Mr. L. L. Thomas, and Mr. L. L. Giesey, who rendered some very good selections. The music was of a very acceptable character, and the evening passed pleasantly. The Medico-Chirurgical College of Philadelphia

LASPERA DEPARTMENT OF DENTISTRY

The men of this Department Have Not Yet Been Called for the Season of toothache.

As an organization the Medico-Chirurgical College, the Department of Dentistry offers special advantages to its students. The clinical training, the laboratory work and the study of oral surgery, as well as supplying abundant material for practical work in the Dental School and the other professional institutions of the City, are all regulated by the examinations of the College. A complete system of questions is prepared for the students, consisting of practical oral surgery, descriptive examination of patients and exercises in the treatment of cases.

should consider these facts.

During the past three years, the best students in Pennsylvania colleges, normal schools, and high schools were filled through this agency.

We have a select group of our own artists, who capture scenes at our request and by your application to the City and Department of Art, the student may send them.

The student will learn that he has the habit of reading and that he wishes to read. The former his school days behind with confidence that he has the habit of reading and that he wishes to read. The latter his school days behind with confidence that he has the habit of reading and that he wishes to read.

College Men in Demand

Squares and other home-made goods will be sold at prices not more than those of the best made abroad at any price. The old student will recognize in them the same qualities which have made them valuable to his predecessor. They are made with the same care and attention to detail which have characterized his predecessors' goods. The new student will find that they are just what he wants and needs.

College Men in Demand

Students, Business Correspondents will wish to have them sent to each of our twelve colleges.
