PHI DELTA THETA GIVES DINNER

SPLENDID BANQUET HELD IN PHI DELTA THETA CHAPTER HOUSE.

Decorations a Feature of the Occasion—Excellent Music by Quartet. Chartering as a Feature of the Reception.

The Phi Delta Theta fraternity entertained friends Saturday evening at the fraternity house on Highland ave. The main room and the halls were decorated a very fancy manner, and it was a delight for the girls as well as for the boys. There was a dinner at 7:30 P.M., and at 8:30 P.M. a dance was held in a large room, where the tables were neatly laid, and enjoyed to the full by all the fraternity members, under the efficient management of the chapter in charge. Covers were laid for 90, and after the banquet, the Phi Delta Theta chapter house was decorated in a way that only adds to the already very acceptable selections. The Young Northwestern orchestra furnished music for the occasion. It was a very pleasant and inviting-looking band.

In treating the subject Mr. Lockwood has made the lecture a seven-lecture series, including the great interest of the audience in the American Indian. The work is an interesting and thoughtful study. It is one of a series on Modern Poets and American Indian. It is a very fine work, and it is pleasing to the American Indian.
