### ALLEGHENY IS CHARITABLE

Just to Encourage the Ladies

From Grove City

Last week Miss Mary Ann Parker of Grove City was in the Allegheny College office, doing what she was pleased to call duty. Miss Parker explained that she was buying a piece of cloth, and Miss Parker also informed us that she was going to buy a piece of cloth, and that this was the only way she knew of how to make a purchase. Miss Parker then proceeded to make a purchase, which she then sold to Miss Parker for $1.00. Miss Parker then informed us that she would be back in a few weeks to make another purchase. Miss Parker then asked us if we knew of any other way to make a purchase, and we informed her that we did not. Miss Parker then asked if we knew of any other way to make a purchase, and we informed her that we did not. ### Quill Club Meeting

*Brightful Dinner and Program Enjoyed—Turnip of the Ave of the Arts Award.*

One of the features of the college at Allegheny is the Quill Club, which is held on the first Monday of each month. The club is open to all members of the college, and the meetings are held in the auditorium. The club is named after the turnip of the Ave of the Arts, which is a large statue of a turnip that is located in the center of the campus. The club is a very popular club, and the meetings are always well-attended. The meetings usually consist of a dinner, followed by a program of poetry, music, and other literary activities. The program is always well-received, and the members of the club are always very enthusiastic.

WEEK OF PRAYER.

Helpful, Beneficial Meetings Conducted Through the Week.

The meetings held during the week past have been well attended. Their varied fields covered the map of the two Christian Associations, which hold, besides their regular meetings, a number of joint meetings on Sunday, November 6, Wednesday, and Saturday. The Sunday meeting was in charge of Dr. D. Lockwood, whose recent book was of much practical value to young Christians. Dr. Crawford led the Wednesday evening service. The subject was "The Christian Life," and a large number of students spoke on this interesting topic. Dr. Crawford's messages are always full of inspiration. Miss Strong, the T. W. C. state secretary, conducted the Saturday meeting and told especially on the topic "Lips." The general subject for the week was "The Light," and all the messages brought out the ways in which Christ can be light in the darkness to others.

NOOTING SERIOUS.

A fresher approached Bushel Hall for the purpose of making a call. When he rang the bell, Mr. L asked him, "What's your name?"

"Your name, sir," he was answered, "is a necessary part of every human being's address."

"Yes, sir," said the caller, "but I was not so much interested in your name as in my own."

"Your name, sir," said Mr. L, "is a material property of human nature, and has as much value attached to it as any other material."
