In One of the Greatest Debates Ever Heard at Allegheny.

Decision was very close. TheAffirmative team of Messrs. L. W. Swanson, C. Jones and F. G. Prentitts was victorious.

The debate between Allegheny and Washington and Jefferson Colleges was held on Feb. 11, under the auspices of the Inter-Collegiate Oratorical Association. The affirmative team consisted of Messrs. L. W. Swanson, C. Jones and F. G. Prentitts, while the negative team comprised Messrs. W. A. Hartung, F. H. Hartung and S. Hartung. Both teams were well prepared and delivered their arguments with skill and eloquence. The decision was awarded to the affirmative team by a narrow margin.

Dr. Frank Lockwood addresses Campus readers on a vital topic.

To the Editor of The Campus:

The following is a letter from Dr. Frank Lockwood to the editor of The Campus:

Dear Editor,

I am writing to express my concern about the recent decision made by the Inter-Collegiate Oratorical Association. The decision was awarded to the affirmative team by a narrow margin, and I believe that it was not made fairly.

As a member of the Inter-Collegiate Oratorical Association, I have observed the debates over the years and I believe that the decision was not made fairly. The affirmative team delivered their arguments with skill and eloquence, while the negative team delivered their arguments with less skill and eloquence.

I urge you to carefully consider the evidence presented by both teams and to make a fair decision.

Sincerely,

Dr. Frank Lockwood

That's the Place Where College Boys

and they do buy them.

This place has been the college boys' own store...it is more popular than ever this season—for many reasons. First, because they are used as they like to be used; because we make a speciality of Clothing and Furnishing for Men and College Men; because we have extra style if you want it.

Here is what we've done since college closed last fall term. We've taken the second floor of the block and remodeled it and now this room has come to you; and this improvement gives us four times more space than we had last term. We have four times the stock of clothing and furnishings that we had last year.

The next meeting will be "Keeping the Spirit and Life of Higher Levels." He said, "The spring is the time when we get out of doors and enjoy our pleasant weather. This month should be pleasant as those outside. For this reason the program is as attractive as we could wish it to be.

- At this time we don't have that in our calendar. We can't expect to have the same interest in Christian work, but we should aim to keep the spiritual life as a standard of the time of year. This may be done by inviting the new Testament for the thought that the Christian life is an athlete's life. This section doesn't go by lines and starts. It doesn't depend upon great sentiment and spiritual enthusiasm but it must be a constant and looking experience.
