W. & J. DEBATERS WERE VICTORIOUS

In One of the Greatest Debates Ever Heard at Allegheny.

DECISION WAS VERY CLOSE.

Our Boys Lost. But It Was a Glorious Defeat—The Contest Was Never Doubtful.

To the Editor of The Campus:

The debating season in Allegheny College is over, and we may contemplate the year's work with profit. The contest with Washington and Jefferson College was an event worthy of a place in the traditions of any college. The work of our team could not have been bettered, and under the circumstances def. eat was little less glorious than victory. Such defeat will hardly be considered by us.

That's the Place Where College Boys

and they do buy them. This place has been the college boy's at least, and it is more popular than ever this season—for many reasons. First, because they are used as they like to be used; because we make a speciality of Clothing and Furnishings for College Boys; and College Men; because we have extra style if you want it.

Here is what we've done since college closed last term. We've taken the second floor of the block and remodelled it, and now we've got as swelling a clothing place as you'll find in any city, and this improvement gives us four times the room that we had last term. We have four times the stock of clothing and fixings that we had for the season. I'm sure we'll be glad to meet you here.
