Miss Ida M. Tarbell,

Care of McClure's Magazine, New York,

N. Y.

My dear Miss Tarbell:

A great many quaint characters called on President Lincoln during war time. Among others was Seth Kinman, hunter and trapper. In going through some old photographs, I have found a picture of that character, taken in 1864, and take great pleasure in enclosing it to you to preserve among your "Lincolnia."

Very truly yours,
