

U.S. - Since dictating the above, I have talked to Mr. Schurz and Mr. Putnam, the publisher, and both say there will be no trouble. Of course, full credit must be given the publisher. I am writing a formal letter to Putnam and will receive a formal permission.

Dear Mr. Tracy:-

I am sending you a copy of Mr. Lincoln's letter to Carl Schurz. Before it is used, you should have the permission of Mr. Carl Schurz, the son, to print it. I am trying to get hold of him today in order to secure his permission for you and will write as soon as I hear from him.

I am sorry there should have been so long a delay, but have been in the far West and have had no letters in the last ten days so that I have just opened yours an hour or two ago.

I hope you are very well. As soon as I am at leisure I shall write you at length.

Very sincerely yours,
