Dear Miss Tarbell:-

In Mr. Wells' absence, we acknowledge with thanks your very kind congratulatory letter of January 10th. Mr. Wells will be very pleased to read it, and in his behalf we cordially invite you to visit our offices at your convenience to look over the Lincoln material in our stock. We have the Banks papers; the O'Beirne papers relating to the pursuit and capture of Lincoln's assassin; and many other letters and memorabilia.

Yours very truly,
