Me". This is from a picture of Mr.

Wing taken I think where he en-
listed in Civil War. but in the book
I see it says as War Correspondent,
but I think you will notice it has
army buttons etc. I hope this meets your
request. Would it be asking too much of
a busy lady to let me know when any
thing you write about H. E. W. appears
in L. W. J. Please ret-ent - I think
you have the book J. L. K. M. and you can see
picture there. Cordially & Sincerely yours.
