Mr. Louis Varner,
Boonville, Ind.

My dear Mr. Varner:

I was very glad to receive the extracts from the minutes of the Pigeon Creek church. I take it that they were all compared so that there will be no doubt about their accuracy.

Thank you, too, for taking so much trouble to give me a copy of the story of Abraham Lincoln as sexton. It is very interesting. But what a pity that Mr. Obenshian did not make sure of the preservation of the book!

Enclosed please find check for \$12.00.

Thanking you again for the trouble you have taken in my behalf, and wishing you and Mrs. Varner the happiest of New Years, believe me

Very sincerely yours,
