Miss Ida M. Tarbell

Atlantic City, N. J.

My dear Miss Tarbell:—

Your brief letter of the 14th inst. in which you contemplated writing me again, in a day or two has duly received. I have been anticipating the fulfillment of the promise and looking for the letter, but up to date no letter has been received.

I feel something serious has occurred either to you or your mother, though I sincerely hope my fears are groundless.

I really would like your opinion and judgment on the Swiss letters before I again visit Boston.

I place particular stress on your
correct direction of the sense of the
letters, believing as I do ⁱⁿ your experience
and qualification in the matter.

With my highest regards remain

I am

Very truly and cordially

Yours,

Gilbert H. Tracy.
