May dear Miss Tarbell:

I am wondering if you are cooperating - improving, gaining heart and arms and 
organ for another great campaign.

And when you may be able to 
Take up my book & look over the entire batch of letters - preparing 
interesting and important - as a 
contribution to Mrs. Searles' Work? 

May I not hear from you soon long and learn what 
you are willing to do?

You may be inspired.
Inclusion of your name in
Boucher's paper, but I will send this
note to your A.A. address.

With my best wishes,
Your faithfully,

Gilbert A. Tracy
