

Putnam, Conn.

April 26, 1914.

My dear Miss Tarbell:

Your letter of the 23rd
inst. received.

I have the copy of only one
letter written by Mr Lincoln to Rev.
James Lemuel Tappan though he speaks
of writing a "former letter". I copied
this letter from a sixty-page pamphlet
entitled "The Jefferson - Lemuel Tappan
papers" - a paper read before the Chicago
Hist. Society, Feb. 16, 1913 by William
C. Macaulay. This paper is full
of very interesting historical matter in-
cluding the Lincoln letter; also a
letter from Stephen A. Douglas.

I do not think I can do

any better than send you my copy
for perusal. You will find some
interesting historical matter, that I think
you may enjoy reading.

You can return the pamphlet
at your pleasure.

Cordially yours
Gilbert A. Tracy.
