

900 PARK AVENUE

May 13, 1924.

Dear Miss Tarbell:

I am looking forward with great pleasure to seeing you on Friday, and will meet you at South Norwalk at 10:48 as arranged.

Thinking you may like to look over some of Mr. Wing's other stories before seeing him, I am sending you this document. Of course, it is very precious, and I know you will take good care of it and bring it to me again on Friday.

Looking forward to a pleasant day together on Friday, believe me

Sincerely yours,

Sherman S. Hoyt

(Mrs. John Sherman Hoyt)
