

REV. H. E. WING

Bethel th July 27 / 29

Dear Friend Yankee.

A few weeks ago
you were here, I sent you, by mail,
three Lincoln sketches;

"Lincoln is pleased to meet a Lady
a great Lincoln trijer
who won the heart of Antelcom?"
Did you get them?

You will be pleased to learn that
I have so improved in my health that
I made a Lincoln Address here, a
week ago Sunday. It was the first
time I had faced an audience in
several months.

Trusting that you will be
I am

Truly yours
H. E. Wing
