

Romneyton. Jan. 25<sup>th</sup> - 1927.

My dear Miss. Tarbell,

I thank you for sending me the enclosed letter. I remember a Rev. Mr. Murphy from the Iowa Conference visiting in our home at Granddale. He was a delightful gentleman, and I am wondering if Mr. Farmer Murphy is a relative of his.

I also received a letter from a Mr. Frank D. Throop of the Davenport Democrat, <sup>Iowa</sup> asking if the Henry King of your story was Rev. H. E. King once stationed at Mt. Pleasant, Iowa.

I am sending you a letter I received from Dr. Upham. You need not return it.

Did you ever send me the manuscripts  
you spoke of in your letter of Nov. 17-26?  
I do not know as I could make any  
use of them, still I would like to  
keep them.

I shall be looking for the book  
now, and I thank you for telling us  
will these stones.

Very truly yours.

Wm. Henry E. Long.
