

Rowayton. June. 6th 1926.

My dear Miss Tarbell;

It certainly was very thoughtful of you to send your article as it will appear in the "Ladies Home Journal". I framed it on to Mrs. John Sherman Hoyt who is at "Shenemee." I shall be on the lookout for Collins in Feb. 1927 and also the Ladies Home Journal for I presume they will illustrate it somewhat.

I greatly appreciate all the time and effort you have ex-

freuded upon the two articles;
and also the financial benefit
I have received. It has been
a great pleasure to have even
so slight an acquaintance
with you, and I shall always
remember you with much
gratitude.

Very truly yours.

Mrs. Henry E. King.
