

Roxbury. June 8<sup>th</sup> - 1926.

My dear Miss Tarbell,

It seems to me  
that the royalties on the book  
should be yours for you have  
spent valuable time and effort.

on these articles, and I did not  
expect you to include me.

I hope you have received the  
proofs, which I returned a few  
days ago.

Very truly yours.
