Mrs. Henry E. Wing,
Rowanton, Conn.

Dear Mrs. Wing:

The Ladies Home Journal wants a photograph of Mr. Wing - one of the Civil War period. I remember you showing me a carte de visite once that I thought charming. Could you send it to me in New York, 120 East 19th Street, and I will get it to them as promptly as possible. Nothing but a war time picture would do.

I hope you got my letter with the check which I sent last week from New York.

Cordially yours,

Ida M. Tarbell,
