Miss Ida M Tarbell
120 E. 19 Street N. Y.

My dear Miss Tarbell,

Once more I am writing you in regard to some valuable information I have in which I am sure you are interested, a subject I believe that must be dear to you as you have written so much about it. I am going to tell you this time that it concerns Mr. Abraham Lincoln, and has never been given to the public. Now if you are ever passing thru the twin cities, Minneapolis or St. Paul, I would be very glad to meet you there and show you what I have. May I hear from you? Thank you.

Sincerely
Mrs. Jos. Kinkler Jr
