Brief case

December 11, 1931

Dear Mrs. Winkler:

I hope you will forgive me for my long delay in replying to your letter of November 22nd, in which you for the first time give me an inkling of the matter you want me to consider. If it is what I suppose it to be I should be very glad to go over it with you. Of course I could make no promise about using it but of course I would give you my word that what I take from you I would hold confidential.

There is a possibility of my being in the West late in February or early in March and if I should go then or find that it is necessary for me to go earlier I shall immediately communicate with you and we will see if it is not possible for you to come down to Chicago for an interview. Is that satisfactory? It is really the best I can do with my work in the condition that it now is.

With all good wishes for the holidays,
believe me

Very sincerely

Mrs. Jos. Winkler, Jr.
