

April 18, 1923

Mr. James Shaw,
Aurora Public Library,
Aurora, Ill.

My dear Mr. Shaw:

I have received your article about the River and Harbor Convention, and am greatly interested in it. How long may I keep it?

I am sending you under separate cover all of the Lincoln articles that I have on hand. I hope you will find them of interest. They will be published in book form by Harpers Brothers some time next fall.

Sincerely yours,
