

September 22, 1941

Mr. William Springer
18620 Littlefield Avenue
Detroit, Michigan

Dear Sir:

Miss Tarbell wants me to say that she regrets the delay in replying to your letter of August 20. She has not been well enough for correspondence.

She's pleased that you want an inscription in your manuscript book and wants me to tell you that she will attend to the matter as soon as the book is received. She will then write you a personal letter.

Very truly yours,

Secretary to Miss Tarbell
