Mr. Charles Billings Stilson
2 Canary St.
Rochester, N. Y.

Dear Mr. Stilson:

Thank you for sending me a
copy of the article "Why Lincoln Raised Whiskers."
I am glad to know this is what may be called an
official account. I shall keep it with my notes
of the period, and if I ever should have occasion
to revise my story, shall be glad to make use of
this.

Sincerely yours
