Mr. Charles Sale,
Pelham, N.Y.

My dear Mr. Sale:

I have just come back from a three months' trip and am trying to find out just how things stand in my little world. There is the play around "He Knew Lincoln." A month ago in Oklahoma I signed the contract which the American Play Company had worked out with Mr. Klaw; but I find now that I am back that he has not signed it. The Play Company seems not quite sure about the reasons of the delay, have you given up the idea? Some little time ago I had an enthusiastic letter from you which made me hope that you were as much interested as ever. Will you not let me know how the thing stands so far as you are concerned? Of course the situation with the Equity is making things difficult for all the producers. What I really want to know now is your attitude.

I hope you are well and that your season has not been too hard. I had a month this year of speaking and it completely laid me out, left me down in Oklahoma in bed; but I am back and quite well now.

With all good wishes,

Sincerely yours,
