

CHARLES (CHIC) SALE

507 Hill Road
Scarsdale n y
Sept 26-1925

Dear Miss Tarbell,

I received

The contract and it is so complicated that it would take a lawyer to explain it to me. I met Mr Klaw and have satisfactorily straightened things out with him, and have it in writing so that is taken care of. I am enclosing check for \$1000, and ask you to let me own the rights to "He Knew Lincoln" for a few weeks. In the meantime I'll get things definitely settled as to playwright and producer. Then I can see you and we will draw up our contract.

Sincerely

Chic Sale
