Dear Mr. Sale:

I have just received your letter of September 5, enclosing check for \$500. I am glad your picture "Marching On" has gone off so promptly, and I take it from your letter, satisfactorily.

I shall be glad to see you when you get back, to hear all about it.

I had a letter from my niece, Mr. Tupper's wife, the other day, saying that she was on the lot recently and heard martial music and was told it was your picture. Then I did, what I wish I had done before, sent her a letter of introduction to you. She is a mighty nice girl, and I know you would enjoy her.

I am wondering if you can manage your coming over to the Farm with the children as we had talked, for a picnic some day. My trouble now seems to be that I don't know when I can be there. But I will try to manage it. October is a beautiful month with us.

With all good wishes,

Faithfully yours
