

Fort Hill Road

Dear Miss Tarbell-

We are so
proud to have your picture
and are happy to know
that you think enough of
us to give it to us. It shall
have a place of honor. It
is such a beautiful picture
a good likeness of you
and a lovely spot. No

wonder you like to go to
your home in Connecticut.
It was a great honor for us
to have you here that day
and we have talked and
talked about it.

"Gay Paree" leaves N. Y.
for Boston after this week,
and with it goes Charles
for quite a long time away.
I always feel terribly let
down when he leaves, but
there are so many things to

Keep me busy. I have enough things planned to do, to keep me busy for four winters. The baby and big children are all well.

Thank you again for your beautiful pictures
Affectionately.
