
THE ABRAHAM LINCOLN FELLOWSHIP

--WE SAW, HEARD, MET OR KNEW HIM--

1334 Spruce Street,
Berkeley, California,
July 28, 1930.

Miss Ida M. Tarbell,
120 East 19th Street,
New York City.

My dear Miss Tarbell:

You will never know what a joy your hearty endorsement of the LINCOLN FELLOWSHIP brought to me. I wish to thank you most heartily. The vacation season has somewhat postponed our publicity program, but it will probably be launched by the first of August.

I wish you could have heard our First President (Mr. Wharff, age ninety-four) when he talked for about ten minutes and then recited the "Gettysburg Address" at the celebration on July 4th in the park near my home.

I am sure you will watch the development of this supreme effort with the deepest interest.

Again thanking you with all my heart, I am

Sincerely yours,

Arthur H. Smythe
