Rev. Louis W. Sherwin,
Oil City, Pa.

My dear Mr. Sherwin:

I have just returned to New York and find on my desk your letter of March 5 and the copies of the Lincoln letter of which you told me last summer in Meadville.

It is most interesting, and I am very glad to have it. I should think Mrs. Egbert would be proud of it. I am writing her a letter today, thanking her for her kindness in permitting you to send me the copy.

I hope I am going to see you in Meadville in June.

Sincerely yours,
