Mrs Lda M. Tarbell

My dear Miss Tarbell,

I am planning a "special" Lincoln number of "The Campus" for next Friday. Dr. Crawford suggested that I ask you to write some little thing for it. My idea is that you either write Allegheny a Lincoln letter of greeting - or briefly tell us how you became interested in writing the Lincoln articles; or any brief thing you may see fit to write for us - Allegheny. I do not dare ask for anything other than a brief touch for I realize that "The American" demands your first work & most of your time.

We publish on Thursday afternoon and if you are kind enough to let us have something in the morning. You do it or the copy will be here by Thurs.

Very sincerely,

Wm L. Stedje - (Ed. Campus)
