

Scarsdale N.Y.

March 5-1926

Dear Miss Tarbell-

At last the check came - only yesterday, and I have signed it and am enclosing it. Certainly it is all yours - absolutely no question about that.

Charles gave "He Knew Lincoln" at the Chicago Rotary Club last week, and he wrote that it was enthusiastically received. He, no doubt, will write you about it.

I hope you are well and
that you were away during
our bad weather -

Affect ionately

Maria Sali.

Please don't bother to
acknowledge this, as I'll
send it registered on account
of its being signed, and I
will have that receipt. I
know your correspondence
must be heavy, and I don't want
to add to it unnecessarily -
