Dear Mr. Stevenson:

May I trouble you for a little information?

On Page 29 of the Jubilee Edition of The Herald - August 22, 1934 is the date - there is an article which has interested me very much, the one of J. Wilkes Booth as an oil operator at Franklin. Can you give me the address of Mr. Louis J. Mackey who writes the article? I should like to know just a little more about him and what led him to gather this material before I quote him in a little article I have on hand.

Did the article turn up other material on Booth at Franklin? It seems to me quite possible that it might have done so.

I shall be very grateful for any information you can give me on the point or any hints that I might follow up.

I hope things are going well with The Herald. It has for me when I go back to Titusville all the qualities of a very old friend, that I delight to meet and sit down with.

With kindest regards, believe me  
dear Mr. Stevenson

Very sincerely yours

Mr. E. T. Stevenson  
Titusville, Pa.
