an 11/5-25

Sept. 26, 1925.

Dear Miss Tarbell-

Page proofs of my Lincoln book are being sent to you. It may be that you will read them over for what they are worth, and that sometime this fall we can talk about them. Yourself and Oliver R. Barrett are the only persons receiving advance sheets, as you are the two who have helped me most, which I believe is made clear in my preface.

Faithfully yours--

Carl Sandburg
