the army so funny belly -

They take it all so natural belly - haumpin' & capupin' & fipplin' & depin'. They just go in & do what's advised. Sometimes I can hardly believe it - seein' how they were raised - ~~Waddo the way to do they do. After the challenge & boy duffed in here capital.~~

You'd never believe if you saw the pen traps at the school - they could be licked with ease.

I see em makin' out traps like when traps <sup>was</sup> used - can't ludd a pen sleep - I sleep when aound mine I will sleep & I ain't no idea of deyin' or der or keepin' them better night -

~~But I will em and then I go down to their camp. I tell~~

int as liable to swear at a ~~any~~ on office or not - I think can't see they they should be with em if they like ~~any~~ - all him ~~they~~ ~~the~~ ~~way~~ to do.

What they think. Pickles me must be death some time the strike & hear of the what they say I do at the street - But it don't take long for em to break down to business. They see quick enough that they're not let
