under water to the river & when
now was very a piece of the
river bank & the
the bank of the river and also
the bank of the river

got a child & staid it - putted it
that - with & carried it - walking
full mile - you see

in seen him & make boys in the
circus when he wanted to spend
the money. & seen him sitting on
the fence afterwards & that it was
the day & caught it - to kill.

myself's friend - that's what he was
just as natural for him to be
that - my as was to drink or eat
in the morning

Lordy he love her dose all night
~~was~~ never said a word but ~~could~~
he did like see in other people later
time - seemed as if he'd rather
dine it - himself. He let me see
being like that - he told - made me
so happy in him -
