Had in mind the war? You better believe  
I was I wait, I'd all on account of  
his being so kind treated, as some  
people think, in Lincoln was a  
patience man but he ~~was~~ had  
some ~~was~~ poor plumb folk and  
too much sense to stand

I was the sufferin' that  
made him in Lincoln later the war  
so to heart I hear in say, well I don't  
doubt he felt the sufferin' I reckon  
I ~~could~~ <sup>could</sup> tell in ~~some~~ <sup>some</sup> way about that  
anybody, but there was something  
harder in him and well  
I'm the fool my they did things  
he had ~~some~~ <sup>great</sup> love for in Lincoln  
had and he knew right along  
~~that~~ <sup>that</sup> they was ~~not~~  
spendin' too much time & money  
in things they could do without &  
too little on what they'd <sup>ought</sup> to have.
