me think ya very 2 ill heard the
2ed chin singin'
Were comin' Father Abraham

And it just flashed into my head
~~that there it was~~ that it was me
~~that they~~ what they called him in
the song, Didn't ~~what he was a~~
~~father~~ Then just the
way the felt it was me a father
and somehow they'd come to know it
comin the ~~my ideas set and~~
~~many people~~ I saw a lot of people
who never see a man in their
lives just know about him &
what he doin' till come and
so understand him exactly the way
it a def what he write - Then any
way doubt the any had come to
understand of the Lincoln - they'd
learned it read him as well as
he did them & they meant any more
of it when they called him Father
Abraham. & Very meant it sometimes when they called him.
