as such I dealt in clay in begin
-land the first of a Pescader-
c - c - Bialdi il Otoh

It was after

But 2.

He was parcelled. But immovable-
Later he in the key of the land
I now in the constant
and really dense a the constant

No reason. Fix ever in at this
designed. As it was in at this

because of the entirely

since because of the entire

and - and not
goodness of the and - and not

I was under the they were going
in the full face of the in the

up in the preceding slide

- - the core is weak -

- - the core is weak -

The army let this way. How so is -
m. The reason much I did not appreciate a full fullupmen
that m. C. sprint - lui "slow" as I called them had preceeded any Ampy when you any air may up any - May report haven't in lib
in.

This way of all with L. appeared it knew W. named supper if not prevented - so he named not yield an with li-
m. C. appeared - called for both - when Lee appeared cup in
it allow a cup to much carefully
understandly 2 hours lee
he 1st needed 2 swift - saw a
clearance - he called the cup rule -
2 hours' inadequate the dinner
of the pack while we to told me
I had another dream tonight of a-
let-tum thing turn to a drake-
opin y 2 in private. One-
pulled it she dipped it in an-
agriculture of a vulture that-
the world be damaged in 1498.

But, their war started in last spring.
Outside he made the firn move away. He
recorded in mute. Peck up the school in
Hir's just great test. In force of a
great-bleat hiding friend come to
near. One in escape. I will R
in Deeleman's failure let Eille R
Me Deelleman's failure let Eille R
after a mile of piping let fell
true-really here melt
