

This is a people's war - a Democratic army
 - crossing together offering themselves
 it offered itself - and down to
 fight - and would go to the police
 their business - the government
 see this - I'm fighting this war
 from now & then - I'm the state
 Billy an old fellow has
 a big military like - I'm with
 his wife in the sludgy
 matter to fight - I would see
 they by themselves do it - in this
 own work -

similar

You couldn't conquer us, if you could
 it would look like after that by
 I would - I would - the wisdom
 it may make them set their teeth
 courage -

If I ever doubted the people I could
 know - I know this is so. In fact their
 hand as me Billy - felt in my
 pulping me - they know when I must
 stand it - they know when I must
 stand my mind & feel myself - that's all
