

She says she made - who says  
publish - what her paper actions  
in - it

Anything or not a boy in that  
any and make a lot of enemies  
at home - there is a great  
peace - to make imitation -  
and it

Grant

The armies of Europe are machines  
The men do have 2 the officers  
are capable - men not intelligent -  
as class -  
The men in world war - intelligent -  
know what they are fighting for - will die  
have been there for a long time  
War
