‘Do not go where the path may lead; go instead where there is no path and leave a trail”- Ralph Waldo Emerson
Dear Class of 2012,

How do I begin to thank you for a wonderful four years together? Since we arrived at Allegheny, you have given so many gifts to the College and to me — your energy, your generosity of spirit, commitment to service, and your achievements in the classroom and beyond. You are remarkable young men and women who give me hope every day for the world you now inherit.

Please return often to this campus you love. You are forever part of its almost 200-year history; each of you a chapter in a proud tradition. Never stop caring about Allegheny and never stop being part of the responsibility we share to shape its future.

On a personal level, please stay in touch with me. Your messages give me great joy. Know that I am always there for you.

So many thanks to you for who you are and the promise you bring to your communities, nation and world.

Godspeed.

Go Gators!

Sincerely,

James H. Mullen, Jr.
