Make a Difference Day
A commitment to Service
The College community celebrated three world-renowned performances this Winter in Shafer Auditorium. On January 24, the first weekend of the Spring semester, "An Acoustic Evening with Dave Matthews and Tim Reynolds" sold out the 1,740-seat facility. Later in January, the Shafer stage was transformed into a shaking ring for a performance of the St. Petersburg State Ice Ballet's version of Sleeping Beauty. In February, folk legend Richie Havens played for an enthusiastic crowd and for hours afterwards signed autographs and chatted with fans. Richie Havens was the first performer on stage to kick off Woodstock in Saugerties, NY, 1969.

Alpha Phi Omega

Alpha Phi Omega is a national coed service fraternity. During the 1998-1999 school year, Alpha Phi Omega participated in the Homecoming Parade, had a Halloween Party, painted lockers for Make A Difference Day, had a Spring Pledge Formal, attended the National Convention in Minneapolis, and walked to Erie.

The Brotherhood of Theta Chi Fraternity is made up of forty-five brothers who strive to improve the Allegheny College community. From philanthropy events to different organizations on campus, Theta Chi is always seen as a promoter of knowledge, an advance of culture, and a builder of character. During Homecoming, Theta Chi teamed up with Kappa Kappa Gamma and Kappa Alpha Theta to win first prize for the best float. During Greek Awards, Theta Chi accepted the awards for Most Interfraternal Chapter, Most Philanthropic Chapter, and the Best New Member Education. One freshmen brother received New Member of the year from the IFC. Theta Chi was also honored with the Outstanding Leader Award at the College Leadership Awards Banquet. Theta Chi would like to thank everyone for a great year of philanthropic events, mixers, and numerous other activities. Theta Chi would like to congratulate all the seniors, and they look forward to another exiting year in 1999-2000.
