Foreword

Readers—

After several months work we give the Kaldron over into your charge; we are tired of it. Some of you will see your names in print once, some twice, and some a few more times. The number of times you appear, however, is no measure of your popularity with us; it is rather an indication that we were in desperate straits for material to fill the covers. What is intensely human we have represented as divine; what is divine we have purposely omitted for your sakes. We wish to thank all who have helped us so generously, including the Kaldron Box and the Censorship Committee, for these two agencies have relieved us of all responsibility for what is herein contained.

William Henry Crawford, D.D., LL.D.
President of Allegheny College

William Henry Crawford was born at Wilton Center, Illinois, October 6, 1855. He prepared for college at Joliet High School and Evanston Academy. In 1884 he received the degree of Bachelor of Arts at Northwestern University, and in 1887 the degree of Master of Arts from the same institution. Garrett Biblical Institute conferred on him the degree of Bachelor of Divinity in 1884. In the year 1893 he received the degree of Doctor of Divinity from Northwestern University and a little later the degree of Doctor of Laws from Dickinson College.

Dr. Crawford has served in several important pastorates, including the Ravenswood and the Fulton Street Methodist Episcopal churches of Chicago. In 1889 he became Professor of Church History at Gammon Theological Seminary, at Atlanta, Ga., which position he held until 1893, when he was called to Meadville to succeed David H. Wheeler as President of Allegheny College. Since the beginning of Dr. Crawford's presidency, Allegheny College has experienced a progress such as few institutions of this country can boast of. Its courses of study have been enlarged and enriched, its campus has been improved and beautified, and its equipment and endowment have been increased ten-fold. During his presidency the attendance has been tripled and the system of instruction has been thoroughly revised and modernized.

President Crawford is a member of the Phi Beta Kappa Society, the American Historical Association, the Federation for Social Service, and the University Senate. He is also a trustee of the Carnegie Foundation, and an elector for the Hall of Fame.

Dr. Crawford is author of "Savonarola, the Prophet," "The Church and the Slum," and "Thoburn and India."

During his lifetime he has made several trips abroad, where he has done research work in various fields of higher learning. He has made a careful study of socialistic problems and has lent a willing hand to social service and philanthropic projects.

The past year President Crawford spent with his family in the British Isles, in Germany and in Italy, on Sabbatic leave of absence. He returned to America June 15.

A Complete Cycle

When the class of 1910 came to school they were Freshmen; some remained Freshmen for a year, some for two, and a few for three years. During their first year at Allegheny they were positively the greatest Freshman class in school --- at that time. They were a whirlwind going around themselves, always bigger up in the air than at the ground, having a slight vacuum inside, doing such things as turning over leaves, changing the equilibrium of hats, and dirtying up Bentley Hall. During this first year they scattered a good bit of "dust" about, leaving a pile at the treasurer's window, some more at Holings and not an insignificant amount at the boards of human maintenance.

They have been blowing ever since, upturning air castles and winking at stars. Now they have reached the tornado stage and are shrouded in darkness. They go thundering from a distance so people will know they are coming. They look as if they would eclipse the light houses of civilization and hold in leash the Ships of State.

They have reached the top round of an imaginary ladder of fame, and are about to dive into the ocean of world affairs. Oh! what a splash!

Juniors
The history of the Junior class dates back several centuries. There was Frederick and Frederick, Junior; Edward and Edward, Junior. A singular fact it is that the Juniors have always been in debt to their fathers—for their name, at least. Of the Juniors that now exist in Allegheny College some have an individual history dating back to the noteworthy ages. Who does not remember the name Bacon. Cole was discovered once in the mountains by a man who wasn’t afraid of work, but who lay down beside it and went to sleep. David killed Goliath when he was a kid, and the Puritans knew English when they set sail for Plymouth Rock. General Meade, when asked if he had enough men, said, “Give me Moore.”

Their colors are lavender and “Jack” White. A Bond of friendship always attends their meetings. They are never in need for they have a Loane and two Grants with them on all occasions, and these would be sufficient, however Small. The Juniors are gossipers. They have regular meetings, and special ones too, to discuss the Kaldron, the Frats, the Faculty, the College Council and other weighty subjects like these. Perhaps they will be Seniors some day.

Class Spirit

Class spirit is not as intense as it might be at Allegheny. It is true that Freshmen are obliged to wear green caps and to regard certain traditions of long standing which cause them to feel their inferiority on the campus. It is true that Sophomores, although lords over the Freshmen, are seldom given precedence over upper-classmen in matters affecting the interests of the entire student body. And likewise even Juniors feel that they have one year more to serve before they will be promoted to a full enjoyment of the rights and privileges of the institution; yet the call at Allegheny should be for more unified class spirit; for more zealous interclass rivalry; and for an enlargement of the field of class distinction. Furthermore the importance of the class as a part of the college is too little appreciated, whereas for lack of class spirit a corresponding lack of college spirit is noticed at times when the demand is most urgent. Schools of world-wide reputation recognize this fact. Why should not Allegheny?

Class spirit may be increased by bringing more functions and obligations into class prominence. Representation in the College Council, if such an organization hope to exist with any degree of importance and dignity, should be apportioned according to classes without recognition of fraternity and non-fraternity lines which should not indicate political distinction.

A cheer-leader for all intercollegiate events should be chosen from the Senior class. Managers and captains of the various athletic teams, and heads of the various organizations, should for the most part be Seniors, to insure the most unified support from the entire student body.

The importance of upper-class distinction and the need of more stringent inter-class rivalry should be recognized and encouraged by both faculty and student body to secure more vigorous college spirit within the school itself and to inspire more worthy confidence in the institution from schools of similar standing in the college world.

A-ilegheny's B-ombastic C-lass

Abounding assurance actually astounded accommodating Allegheny as agricultural academics, as Angus and Amon, appeared at autumn, 1908. Aforesaid aspirers, accompanied ably and affectionately, amble about adjacent agencies, attached after associated atheists and assembled athletes. And altho admitted appallingly audacious, Allegheny assented at admission, asserting appreciation at acclimating attempts.

Assembling apart at alleys, as aesthetic Alleghenians are asleep, an ardent army assailed and boldly bombarded betters by bean bags. But battle brewers brought buffs booming back; brave bunting banner broke back brassy bluffers behind blissful Brighams. Babbling bewailings, boobies blithely bide bantering.

Contests come, contests continue; classes conquer, conquerors console conquered; classes cannot control comatose conditions. Combined crimes call cunning culprits confronting Censorship Committee counting Chapel cuts—credulous complacency cashiered. Delectable DeLancey didn't deceive Dutton. Discipline descended, "don't dare desert devotions, d'you discern?"

Enough efforts eventually ensured entry, even elite excusing exuberance. Football, fussing, fishing, found firm friends. Flunks followed
Freshman festivities. February finals frighten foolish Hunkers, flinging forced furloughs from faculty for furious fellows.

Good green grass gradually grows 'gainst great 'gravation. Giggleing girls gain ground giving good gestures. Healthy habits 'aided hairy heroes; happy Ilasely, handsome Hamman, harmless Herpel, homely Hughes, hasty Hofelt, heroic Hoffman, heathenish Hill, hot-air Hunt.

Instructors instill ideal illustrations, indirectly improving insufﬁcient ideals, insomuchas investigation insures independent invention.

September sees sprightly Sophomores. Simpering Suffragettes, sustaining Smith's Sunday School, scatter shameless scandal. Stewart sings sonnets softening stony Seniority.

Time tames tough traits. Tutors tideover trembling triflers. Thomas tends to touch th'ethereal threshhold, telling touching tales. Upper-classmen use unexpected urbanity.

Vainly vying, Welker waged wroth with weighty words worn weak with wringing.

Xanthine Xenophon X. yokes you yawning youngsters. Yell! Yield youthful zeal—zigzag zest—zenith zeroites! Zounds!

Freshmen at Allegheny
Do you see this picture? It is a triangle; my teacher, Doc Akers, showed me how to make it. He is a great, big man. I am not afraid of him like I am of some big men. I'm awful afraid of Armstrong, though; he looks so funny. Akers is our Algebra teacher. He shows us how if one little boy has some money and another doesn't, you can divide the money by $x, y, z$, so that both will have some, and then spend it by $\frac{1}{2}$ $(x-1)$ and always have one-half your money left. That's why we like him.

What do we see here behind that galling gun? Oh! it is Mister Breed, our bird teacher. He makes us draw funny pictures of all kinds of animals that we don't know about. He's Funny. He's good though - - - sometimes. Coburn - - - there he goes with all those books - - - he's a funny fellow. I laugh whenever he tells about those Gypsies. He opens his mouth so wide, too. He looks just like the funny man I saw at the Nickelodeon.

Ross is one of our teachers, too. I'm not afraid of him. I'm bigger'n he is. He's pretty good to the girls. I'd be too, if I was him.

Ling and Lee, they live down in Wilcox. I wouldn't live down there for all the money in Allegheny College. It's too much cluttered up.

There's that woman what teaches us to prance and yell. Here comes another big man. Isn't he great? They call him Smith. I like Mulfinger; he's great for fresh air. That light haired fellow. Sniper - - - he's a good friend of mine. That old fellow they call Elliott, I don't know very well, and there's some more I don't know either. I will some day.

Fraternities

The history of Greek letter fraternities at Allegheny college dates back nearly to the days of the founding of these national orders in collegiate circles. Phi Kappa Psi, the first to come in, was established in 1855 and is now enrolled as the Beta Chapter of that order. Phi Gamma Delta was established a little later, in 1860, as the Pi chapter. Three years later Delta Tau Delta was established, and later became the Alpha chapter of the national fraternity. Phi Delta Theta, Delta chapter, followed in 1879, and Sigma Alpha Epsilon in 1887 as the Omega chapter of Pennsylvania. Each fraternity owns its own house where the chapter lives as a local corporation.

Each fraternity gives at least one social function during the school year, and some have adopted the custom of holding a smoker for the men of the college. On the first Wednesday after the spring vacation Pan-Hellenic Day is observed, and a banquet is held in the evening. Founders' Day is celebrated at each house, and as a number on the annual Commencement program a banquet is given by each chapter to the alumni of the fraternity during the closing week of the college year.

Although in their founding days they existed on the campus as sub rosa organizations they are now officially recognized as a part of the college and shall probably continue so as long as interest in them is kept so manifest.

One local order, Theta Delta Psi, is progressing with good prospects of obtaining a charter from a national order.

Sororities

As the history of co-education at Allegheny has not extended over the entire period of its progress so the history of girls' fraternities is limited in its scope. Three national girls' fraternities are chartered among the young ladies of Hulings Hall; Kappa Alpha Theta, established in 1881; Kappa Kappa Gamma, in 1888; and Alpha Chi Omega, in 1891. One local organization, Theta Sigma, established in 1904, is maintaining a high standard.

The girls' fraternities are not allowed to live apart from the dormitory, several attempts to build houses of their own having been discouraged by the authorities of the institution.

The girls' fraternities of Hulings Hall exist much in the same light as the men's fraternities of the college, being recognized simply as social organizations. Functions are held under their direction each year which greatly enrich the calendar of social events of the college.

Pan-Hellenic Day among the young ladies is observed on the third Saturday in May of each year. Banquets are also given to the alumnae during the Commencement week.

Recipe For Electing The Kaldron Board

"Let Things be Done Decently and in Order."

Collect all the students into a heap. Add two teaspoonfuls of vinegar and a little moonshine. From this pile select fifteen lemons, some of whom are working for Phi Beta Kappa. Squeeze them. Can the rest. Juggle the fifteen lemons into groups of three each. Soak them in red lemonade if they don’t behave. Let somebody collect the gold dust for the 50-cent certificates. Let the students select five of the sweetest looking specimens from the fifteen. Allow those who want to be on the real Kaldron Board to add a little sugar to the five. Add politics the size of a grain of wheat. Sprinkle on a few suggestions from the Profs., and stir gently. Stir violently. Stir.

Freeze everybody who is anxious for a place on the Staff. Stir. Spread the mixture on a piece of paper and you will have the Kaldron Board cut and dried.

Go away hack and sit down and be ready to answer questions the rest of the year:
1. Who elects the Kaldron Board, the frats or the Junior class?
2. Is there going to be a Kaldron this year?
3. Who are the best politicians on the Faculty?
4. What did the Junior class do to the College Council?
Manager Robinson, of the Kaldron Board, has audited his accounts. He submits a few credits to the College Council. According to the statutes he was obliged to invest $4.50 into the printing and binding, and then he was allowed a profit of $.50. Above that, the College Council, according to the statutes, is to get half of the rest of the profit.

The following is due the Council from the advertisers, as per statutes:

- ½ pound of "weenie-worst" at Derfus Bros.
- ½ a chin shave at Perry's Barber Shop.
- 1½ packages Duke's Mixture at Dreutlein's.
- 1 look into Frenchie's Pool Room.
- ½ of the strong faculty with all the expenses, with tradition and a location ½ surpassed, from the College ad.
- ½ shot from the Stephens Arms and Tool Co.
- A pinch of Dutch Cleaner at Shryock's.
- 1-16 note and a whole rest, at The Pennsylvania College of Music.
- ½ shoe string at Brownell's.
- 1 pant at Prenatt's.
- 1 shine at the rear of the Lafayette Barber Shop.
- 1 lemon at Robinson's Grocery.
- 1 straw, only used once, at Ballinger and Siggins.
- 1 pickle at the Rathskellar.
- ½ a tennis shoe at Eldred's.
- 1 small college souvenir spoon at Gordon and Reamer's; very cute.
- 1 short draft at The First National Bank.
- A long stay at the Spirella.
- A chew and a drink at Frisk's.
- A proof that you are ugly, at the photographer's.
- A bun at the bakery.

A Kaldron Trick

THE STUDENTS STACKED, SHUFFLED AND DEALT

Before you we have placed a deck of cards;
The joker is among them. Facts are aces,
For they come first, of prime importance, too.
Then deuces, threes, and fours, and queens, and kings.
We are the bowers; we took all of you,
In one big trick A glorious sweep we made,
Then dragged you to one corner of our table,
Then drew you, shuffled, stacked, and cut, and dealt you,
Then edged, and spiked, and raised, and finally called you—
Students and faculty, what a royal flush—
You cunning, wily kicker, we showed you up,
And in your helplessness we took the pot.

Trying to Uphold Allegheny College
Dear Kaldron and Censorship Committee:

We initiated Decker and Armstrong last fall. These two have proven very valuable men and we were glad to get them. They know their places and are good Freshmen. Dutton is chairman pro tem, for the last few months. He gets a little fussed, but we like him. He doesn’t have a vote. I am secretary. Crawford lectured in Rome on “Savonarola.” “Dad” Ling is out for athletics, and Stewart is out for track. We all had a fine time at the Duer Du show. We laughed. We call our three Hulings Hall representatives “The Three Graces.”

Several of us have joined the Meadville Art Association and have brought honor to the college. We have representatives in all the classes in college, including the gym. classes. Cobern preaches in Pittsburg. Smith teaches Sunday school and they say he’s pretty cute when he wants to be. He also belongs to the Quill Club. Breed is the big bug in the Scientific Club. He is certainly a comer.

We also have three members on the Censorship Committee. Elliott and Ross have joined the Classical Club. Lee has joined the Athletic Association. These three also belong to the Y. M. C. A. We take pleasure in announcing a new pledge, I. R. Stidger. We haven’t had any dissension at all this year like other years. Lockwood sends his best regards. Come and see us some time. Address all correspondence to Dutton.

Scientifically yours,
STANLEY BREED,
Secretary of the Faculty.

You Poor Editor:

We’ll think you’re awful mean
If you should print this letter,
For we don’t want it seen.
Don’t print it - - you know better.
Of course it’s all in vain
To ask so much of you,
But still we must explain - -
Though we are sure you knew,
That Little Lucy Loane
Is playing tricks on us.
She tells us what she’s writing
When she’s writing something else.
There’s Louise and Julia Jones
And Edith and Mabel McLean,
All Seniors—and also Caroline—
The best one, I maintain.

The Juniors, of course, are great,
In autumn, winter or spring ----
I study but my mind wanders ----
I hear the angels sing.

The Sophs are five in number:
Wilhemina-ma-nay,
Cecilia, Ruth, and Mary,
And June - - when the flowers are gay.

The 1913 quartette,
Examples of “Innocence Abroad,”
Just walk the chalk each minute
And obey at every nod.

Don’t put anything in about us
We’re too good to be treated that way:
So mind your “P’s and “Q’s” - - and us ----
That’s all we have to say.

Dear Ink and Quills:

Gee! we're tired! We moved today, the first time we've moved in a good while. We expect to survey our tennis court soon. Fife is the brightest man we've got. He has a liking for chemistry. Angus claims to hail from Conemaugh. We have offered a reward for the discovery of this place. Allgier is mascot of the Freshman class, and is also on the cast of "She Stoops to Conquer." Wendell Ball is a walking example of the success of "Mellon's Pure Food" and pasteurized milk. Else is our fat man. He is still growing. Baron Ford is studying for the ministry and is starting to inflict Dr. Cobern's ethics on us. "Corry" Jones, one of our Seniors, is out for track. "Fra Elbertus" Hubbard is our editor on the Campus. The rest of the boys are well and doing nicely, some of them fussing a little. Don't forget me.

Dear Kaldron and Faculty:

After a long breath of silence we address you once more. We are all well and prospering and hope you are the same. We have had the lockjaw for quite a while and haven't been able to say much, but we haven't been sleeping. —vx½?—, of the College faculty, paid us a short visit last week and told us to lay low until after Senior Six and Phi Beta Kappa were chosen. He said if we didn't watch ourselves we might get on Senior Six, i.e., six of us. We are using our opera glasses. ?—&|— is a member of the College Council. He keeps us posted on administrative legislation. Suavely, registrar, a friend of ours, received a telegram last winter. He put us wise to claim our mail. We sent him and Dr. Smith down to the postoffice to get some stuff for us. Neither one of them reported to us since. At our last meeting we voted to run a little larger next year to keep down expenses. We have men in every college activity except Duzer Du. They are running in opposition to us teasing the faculty. We generally hold our meetings at the ?—o! Hotel. Dutton and Suavely were in at one meeting and gave us some interesting talks. Some of our best men will graduate this year. Address all mail to *726?—76?—3x; correspondent, c/o Registrar. Cablegram ?—5—70?—3k.

To the Publishers of the Kaldron:

There is so much a'doing Around the School and Hall That I must take my pen in hand To write and tell you all.

Our Seniors soon will graduate, A foxy bunch are they, There's just enough for Senior Six, Oh! What a bright display.

There's Margaret Beebe, best of all, Miss Bly and Ethel Berry, Martha Lewis and little Rose, And Helen, quite contrary.

The Juniors are the studious set, They give the "A's" a chase; They haven't even time to think; With books they run a race.

The Sophs and Freshies I must skip,— They're awful cute and clever. They hop and sing, and laugh and play, And joke; they're the best ever.

If you have space please print this rhyme; I know you're glad to get it; I wrote it and I'm proud to say I never shall regret it.

With best wishes for the Kaldron,

Dear Manager:

I'll take this time
To write in rhyme
Our chapter letter;
Though Hazel E.
Does think that she
Could do it better.

Our Seniors first,
Since they're the worst,
I'll introduce.

There's Emma lass
So full of brass
When she cuts loose.
Leone so slim,
Bernice so grim,
And so morose;
But O! that Hazel,
With voice so nasal,
's a bitter dose.

Of Juniors, you see,
There's principally me,
U. K. D.;
Also Jane and Mary,
And Verna so wee,
And Bess Em'ry.

There's Marg' and Mary,
Caroline contrary,
And Lizzie Ling;
Rose and Virgie,
And Ethel, you see,
Sweet little thing.

Altogether,
We're the best ever,
'Tis plain to see.
So for this time,
I'll end this rhyme

Fussers' Quarters, June 1, 1910.

Dear Mr. Editor:

Since we never see the manager more than about six minutes a day, at meal times, perhaps it would be wise to ask you to send him around occasionally. Kaldron seems to have been the means of alienating his affections from us. Our gang is certainly a bunch of real cosmopolites, Nevins showing up best in this respect with the ladies. Robinson would like to be, and Miller is a satellite. I have succeeded in walking around a square in 1 hour, 3:02 1/2. With consistent training and practice, I will likely be enabled to take things easier and not be rushed. Dale Croasmun is doing good work in his studies. He just missed Phi Beta Kappa, so he can branch out into society now. He usually goes Sing(e)y. Rossiter and his dog are ethicists. Rossiter averages nearly 50 in marks. He is now trying to show the faculty that the average of R, 4, and is really 5. "Summy," his room-mate, solves all his Math. I problems.

"Hefty" is bidding for the prestige as humorist formerly held by Mark Twain. Burt still holds the long distance record. Barkley made an "F" once and thought it meant "fine." He has been the cause of many Campuses than the whole student body combined. Bal linger got off a good joke once, and will soon be in Weeter's class. Mead does not live in Cochran ton, though he is seen there occasionally. Leffel's femininity has been his recent success. Oh, what a little Virgin(a) can do! "Jam" is writing letters every Sunday night now - - - he is becoming quite proficient. Gordon is making good, we believe, in Cambridge Springs. He visits us semi-occasionally. Max Croasmun is a student and a social light. Dotterer and Perley are Freshmen, so we will excuse them. "Hick" left school during the year, and we have, fortunately, taken in no more Radiums. I am the big man in the crowd, so I will not speak of myself.

Kaldron, 1910:

We are still on the hill, but we moved over into the “Stone Pile” last week. Warren Cole lost money on the commissary graft last year, trying to feed his brother, “Fat,” but he has a box-seat at all the shows now along with Heber Harper, Tad Culp and “Bilb” Barkley. Essex Penman didn’t go out for his annual two weeks’ foot ball this year, but he expects to get in the base ball picture. Bill Scherfer fell down to 48 in his studies last month. If this occurs again he will probably be suspended indefinitely.

Rev. Lavely dropped in on his son, Horace, the other day when he and Baker were engaged in a friendly little game of poker. Norton, Reuttgers, Hall and Banno have been raising a great deal of roughhouse lately and it can often be heard distinctly in the next room if a person played close attention. Through the kindness of one of our members Herbster’s cornet was plugged with solder and he is unable to favor us with his soul-inspiring music. Virgil Calvin was out tearing around last night and didn’t get in until almost nine o’clock.

Dear Advertisers:

Since in our last epistle we sent you a full remittance of our bill we feel free to tell you something about the boys this time. We miss “Sheenie” Deemer awfully. We miss his cornet more. White and Hoffman are learning on the cornet, but we can’t stand their noise very long at a time. All the boys feel pretty friendly towards each other, except towards Small and Hill. You know they are the treasurer and commissary. Cochran, Dunsmore and Cuthbert still maintain our scholastic standard. We think Moore is doing well, too, but he never could toot his own horn. Some of the boys are fussing a little bit this year, as Nodine, Eschelman, McChure. But we have not tried to hold frat meeting in the Hall yet. I go over occasionally myself, nothing particular though. Hoping your reply will be otherwise than a dun, I am

To The Kaldron Box:

Dear Fellows:

Lots of things have happened since our last letter. Hilborn was recently elected "Reformer," and he is trying to do the best he can. Gould is our representative at Hulings Hall, because he's the best lookin'. By the way, we've got our new fraternity pins, i.e. our old high school pins, resurrected. We used to wear them on our coat lapels, but now, like the other "frats," we put them on our left lung. Brother "Jim" Reed still wears his on his coat pocket.

We had an invitation from Allegheny College to join the Athletic Association. We are glad to report that a few accepted. Grandey has given up his charge for the good of our fraternity. "Bish" Morgan is working hard to establish a sister chapter at Boston. Fisher was toaster at the Washington's Birthday Banquet. In our opinion he made a dandy speech. Yes; he did. Swick is secretary of the Oratorical Association. "Ernie" Morrison showed his religious character by staying away from Duzer Du. Firestone is out for baseball. We had a very successful rushing season and put high school pledge pins on Hamman, Herpel, (he is out for Glee Club), Taylor and Mates. Swick is an honorary man; i.e. he's a professor. Amen. Answer soon.

With ruddy hands and ruddy hearts we are working daily that we may gain a position among the established organizations of the school. We thought that we would secure pins to designate our members, but decided that the tresses divine were sufficient to render our club conspicuous.

In general ability we are not deficient. Ida Preston, our executive head, has the plastic Quill Club at her will. Miss Bond and Miss Peck are shining lights of Latin II. Mary Smith is the radiant illuminator of Kappa Kappa Gamma.

Dear Kaldron (Price $2.00):

We are so busy rehearsing and keeping up our marks for the play, March 17, that we haven't time to write much. We had a gliding time out at Saegertown at our party. We wanted to take Alice, our faculty representative, but we thought the rest of the faculty would be slighted. Our greatest rivals are the faculty. We have hot times. The faculty are a semi-secret order and so are we, and the way we fool the faculty is to keep quiet who of our men are opposing them.

They are jealous and won't call us Duzer Du. We beat them all hollow on Rushing; for instance the faculty bid Yost, George and Fixel and had them in one of their meetings. We never even thought of bidding George and Yost. We got Fixel. He likes us ten times as well as the faculty. He told the faculty so at the time. Then we got Hilborn away from the Allegheny fraternity. We never cared to bid any of the girls—of course, that's a secret.

We are working hard for our National Convention celebration to be held here at Allegheny College on Decoration Day. We expect to have a dance, card party and other entertainments. We hear the faculty are having some stunt and want us to put ours off awhile. We may put it off for them.

Harris recently honored us by joining the Oratorical Association. Gahan belongs to the Block A Club. We hope to have something to say in the next letter.

Editor:

I just got in. We never see you around anymore since you started to work on the Kaldron, not even to your meals—which is very strange for you—so we are writing you an invitation. We have been cleaning house and sweeping the tennis court lately. Won't you help us some day?

Craig won't work either. Fixel and Piper are taking post graduate courses in fussing in non-residence. They are the commissaries—pretty poor ones too;—they feed us on pickles. Boyd is our news agent at Hulings Hall. We nearly lost track of him this spring. We did lose track of his trunk one day last winter. Kennedy will succeed Boyd. He is succeeding pretty well already. It's a disease with him. Riblet is our best all-round man. He's a big one in college affairs. He knows how to get high marks, especially in Economics. Nightlinger is the best athletic coach we have. He can do everything at once and talk too. Apple has dropped. "Blossom" is here. Broadbent is a professor. "Chug" More and "Blossom" Craig are the high marksmen. "Chug" gets as high as "F" and doesn't study all the time. While also learns things quickly from Hulings Hall. The McKays paid us a visit last week. They live in Meadville, Pa., and are jolly scouts. Abbott and Akerson furnish the arguments at the table—"Pass the bread." Good night.

Office of the Leader, U. S. A.

Friday "The Thirteenth."

Oh! you Editors:

On account of the Glee Club trip we nearly forgot to write this letter. We were successful in having several men on the trip and also Craig, Mead, Stewart, Gorham and myself (i.e. us, the correspondent). We tried hard to get Bortz and Herbster on the trip but we couldn't succeed no way. These boys are the faculty pets and couldn't be spared. Akerson thinks he belongs to the Choir, but he doesn't. Mead is our literary genius; that's why we took him in. He edits the Allegheny College Powder Magazine. Harper is president of the College Council—an awful one without his musical abilities. We have men from all classes, including Hulings Hall—Stewart and Litten. It's an awful note how we sing sometimes. We regret that we will lose several important Seniors, including Harper, Yost and Grandey, but we have Herpel, Kennedy, Prep Moore, Warren Cole, Baron Ford, and Tim Hughes pledged. Tim is another literary genius. Then we will have two. We can't initiate them on account of the one-year rule of the faculty. Mullinger and Breed helped us pledge these men. They are honorary. We are considering building a new house so we can practice without being bothered. Our friends advise us to. We will rehearse this advice at our spring banquet. We are learning to chant the Lord's prayer, but we can't yet hear us, if you don't believe us; we never tell a lie.

A New Tradition Needed

Some of the citizens of Meadville, and others, would like to see a path worn from Hulings Hall to some of the stores which carry a line of invisible rats, the kind that would be out of sight, if not in sight or inside.
admission of you — you girls. But in this space we propose to eulogize just you classy ones, especially you who revolutionize the fashions, read the Da- linator, and reproduce McCall's fashion plates on violets. We want to thank the Miss for breaking stubborn Custom's chains, and shedding defiance to staid Conventionality by sauntering before us the Princess model a la Paris head dress. Our eyes laughed when you appeared.

And then we further extend our thanks to you other martyrs who championed her reform. Members of the humane society you surely must be. In our ledger of human sympathy we have placed many credits to you artists, also, who return nature to the glory of beauty.

We want to congratulate you girls who are nice and silent when occasion demands, but ask others of you not to clothe your vocal organs with this model virtue when you are reciting in the class room. Niagara Falls and Mendelssohn were never admired until they were heard. The Prof's would get more out of their lessons if you would speak a little louder than a whisper, and demonstrate "How to Use the Voice," when you recite. Your voices will be stronger if they were not so weak. We want to thank you who "set the pace" in the class room for embodying in yourselves the intellectual salvation of Allegheny College. You are the elite.

To Others

Some of you are so busy thinking about yourselves that you are in danger of becoming lead automatons. Hitch your anchor to some college activity or you'll sink into oblivion. Don't be a parasite. Get busy. If you can't do that, get sick, because the rest of the students say you're lazy. They don't mean it, of course. That is only a hint as to your real condition.

You toy soldiers! You men who comprise the rank and file of Allegheny College. Some of you are exposed to religion so much that you emphasize holiness more than your education. We do not refer to you amateur preachers who draw a good fat wage for your presence in the pulpit Sunday with a little script made up on the train. Oh, no! for you realize that charity should begin at home with yourself. Yes, we do mean you, too. We also refer to you Mission preachers of the self-taught variety who revolutionize styles, read the De- fenders of the Faith, and do your own best to trick others with your artful methods of expression. We're careful around you because you put us in print. You frats! People talk about you too much, so we won't say anything.

You non-frats! You try hard to see things as others see them, but sometimes you are in the wrong. We believe you mean well.

To the Faculty

Oh, you faculty! Finally — yes, final in everything. Some of you are just getting college life now. You take a very active interest in all affairs here — too active sometimes. You give us that personal attention oftentimes which we need and appreciate. You act as a safety valve on the mechanism of our activities to prevent friction; but, you check legitimate and common- sense amusement too much with your superintendence. You allow strolling without a chaperon. You will admit that all religious ob- jections are constantly observed by those who dance occasionally. Why, then, should you not encourage or at least allow a temperate indulgence in properly restricted dancing, an amusement which gives pulse, grace, and culture to the performer.
We thank our athletic editor for the splendid account of the Grove City game. He accounted for everything but the score. We endorse him for a position on the staff next year. He likes the staff of life. The associate editor hasn't done a blamed thing. He's "saying" down taking his regular afternoon nap. Our Literary Editor has contributed all the stories in this issue which are distinctly literary. They can be easily picked out without the manager. We wouldn't even denote it, but that we will take sides with Dr. Smith and the conservatives against Duner On and you won't have any more trouble about news. Keep a firm on your ear drum exposed for Miss Frac. Get a story from Carl line Lammer about the millennium of the Wilson steps. Be bold. Don't let any of those people snub you. Tell them you're an editor.

As to competition—we are sorry we promised to print those other stories. We knew at the time we wouldn't. That's just a sample of our editorial license. We have a year's license to do this, so put up with it. We have to do like the big editors, LaBounty, Stabler, and the rest of them.

We thank our advertisers for their support. Some of them don't want any more trouble about news. Keep against Duzer Du and you won't have trouble. We have a year's license to keep his pledge of "looking after the students". We have asked for the picture, if for nothing else. So we'll send Armstrong up when he fell on the ice. We knew at the time we wouldn't.

the Beaver Seminary they tried to get into the library where they could study up their back lessons. The crowds that came out to hear them were pretty large, considering the weather, it being very nice all the time but looking awfully like rain, and this caused many, who would not have otherwise ventured out in no way, to venture to go out as soon as the storm raged and Harris' thundering voice was heard, and this account-ed for many not being there although they might have come if it had not been at the busy time of the year, notwithstanding Christmas is a time for the manager to insist on getting a return date, it not being considered advisable by him to broach the sub-ject then; yet the boys received many back before opening them.

At Kensington

A select number of the packages of compliments along the road and the liveryman drove the rest of four cents a mile he paid fifty. Instead of being loud they meekly went down in soft strains and composed them-selves. Then they beat the ice.

At Braddock

The clubs were entertained by Dr. George H. Lamb in the Carnegie Library.

At Irwin

"Jem" Stewart became jurred just at suppertime, and put on his lid and rolled away. "Jem" stuck to the music and it went also and the rest of the club were left in a stew. He smeared things up.

At Pittsburgh

Tenor 11 of the boys went to Pittsburgh accompanied by the rest of the voices, to C. Anna Held. The major portion of them decided to stop at the bar to take a rest, not counting on having a fast time, but intending to be normal. They pitched a quarter high into the air but it fell short and sounded so soft that they could not hear near its face value. There was aaney atmosphere of opinion as to their mew-some being minor, but in the discord which followed, one of the sharp guys, well versed in the art, dis-covered the key to their position, brought peace and harmony. Instead of being loud they meekly went down in soft strains and composed them-selves. Then they beat the ice.

At Irwin Dock

The Glee Club took another trip. They intended to go by trolley to Tit-ussville, but it wasn't built yet—that is, the trolley. 'Ezy had two soloists along to redeem the chorus, but the piano got all out of tune. Nodine gave a reception for the fellows in one room and for the girls in another. "Bum" Nichols acted the role of Harold Gor-don in "The Girl from out Yonder." "Rod" Mosier, Glenn Swwick and some more of the boys cut up something awful. Then they went to War-ren, and to North Warren, where Lender Yost posed in a demonstration of the elastic rubber hose.

They infected Kane with a third spasm. The Kane students precipitated a reception on the boys and surrounded them with welcomes. The righteous set left for home and the rest ascended still further on Mt. Julep. Instead of being loud they meekly went down in soft strains and composed them-selves. Then they beat the ice.

THE 1910 KALDRON

THE ALLEGHENY LITERARY MONTHLY

Successor to "The Allegheny Magazine"

Published Once in a Great While

Volume, 20 Cubic Feet No. 10B, Walkover

EDITORIAL

Foreword—We don't make no promises as to when we'll leave the press. We like the Tribune office pretty well and if it rains we may stick around a while longer. There are only four of us editors and we're going to have our pictures taken for the Kaldron. We're editors forever unless they elect a new board. Hand in all the jokes you can; we want to print them. Students are funny people anyway, paragogically speaking.

We congratulate the College Council for doing things. They elected a Campus competition judge one day. That's doing things. We hope the faculty won't take any offense at anything that is said about them; it may be the truth but remember that everybody doesn't know it. That's why we said it. We always speak the truth; though you may not believe it—i.e., the truth. Therefore we don't boast about it lest you think we have a license to.

To make up for what we haven't done this year we are printing several highly literary stories intended to instruct and not to please. "To Be or Not to Be" by Anonymous, is one of a variety he has handed to us. This poetical dose of "Unsatisfied Love" comes direct from a deer hart. It is purely sensational and appreciated by the author.

"The Old Curiosity Shop" is a very dusty collection of odd ends, rusty bits and vices of the college. "Our Honorary Members" are selections from a theme of Miss Preston's which flattered her Instructor, put a quietus on literary disputation in class, and will probably nauseate you.

Did you know that Snavely plays tennis with the girls?
To be or not to be: that was the question:
Whether 'twere nobler in the mind to suffer
The slams and slurs of the non-fraternity party,
Thrown at the board-elect from unchaste tongues,
Intended but to defeat their efforts finally;
Or to take pen in hand and start the work,
And with a stubborn purpose edit the book.
To write, to effervesce:—Ay, there was the rub.
They thought they were a board. The Council met;
And from his seat a bold "reformer" rose,
Spit fiery words, "There is no Kaldron Board,"
And with such flight the rumor spread its wings
That some did heed the words. Then on their pedestal
Of fame but newly got the New Board shrank,
Ay, shrank from vaunted greatness e'en to naught,
And shuffled off their classic garb of office.
Their's was the theme of talk for many a week,
Fate sealed their fortune, Fortune sped their grasp;
And they were forced to drink the deadly hemlock
And pass away; to die a martyr's death;
To shed all hope for literary honor;
To sow their services on the sands of time;
To hide their talents in solitary places.
Their light went out.—Anonymous.

The Fraternity Kaldron Board—Deposed during the "Reform of 1909.
To be or not to be—What Boyd thought when they called him "Kit-tich." Work—Something much talked of at Allegheny.
Edit—What the editors do. Snavely helped edit the Catalogue, so he says.
Sneal—Seats for sale at Hallinger and Higgins.
"There Is No Kaldron Board!"—The war cry of the reform party.
Poster—A student who rented a room.
Wings—Two were given to each member of the Thoburn Club upon initiation.
Shrank, etc.—Referring to the morals of the Glee Club and Oneer Du men.
To Drink—Not allowed on the Glee Club trips.
Deadly Heinlock—An equivalent of Math. I. Greek Art. or Astronomy.
Post Away—Like a smile from Decker's face.
To Die—Like Alarcon's contas.
Tow—Stolen by co-education.
Places—Big towns like Snagertown, Wyland and Wynona.
Anonymous—Champion of the School of Spring Garden Literature.
Mr. Toastmaster, Ladies and Gentlemen, and Members of the Anti-
Myrtle Reed Society:

As I have been sitting here this evening, listening to the outbursts
of wit and oratory, there has been dawning over me an idea. Surely, I
never could have toasted the men as cleverly as has Miss—.

We have been moved like puppets in a Punch and Judy show, regu-
lated by a nod as to our thinkings and writings and eatings. For years
Dr. Smith has appeared monthly in the title role of “The Tempest.”
Even our youngest members will remember that finished (or unfinished)
performance on the occasion when the College Council so far awakened
as to live up to its stated duty in appointing a Society Editor for the
“Campus.”

The “Comedy of Errors” as given by Mr. Lewis, displays no great
amount of character delineation, but its interest depends largely on the
comic situations and contrasts developed during the course of action.
Miss Rowley, for some time, has starred in that old play, almost un-
known in these days of college cases, “Love’s Labor Lost.”

Mr. LaBounty, in those far-off undergraduate days, now renders “Measure
for Measure” in defense of a certain damsel in the “White City,” who writes
“such stuff as dreams are made of.”

There is one who stalks among us in sable garments, with long face
and tragic pose. In our Quill Club repertoire, Shakespeare’s most in-
tense tragedy has been included. Othello, of fine and noble nature, re-
taining some of his barbaric simpleness of soul in the midst of subtle and
astute politicians of Allegheny—Othello, who must slay one Myrtle Reed,
though he loves her.

As I approached the end of the Lane, a number of Wells came into
view around which were gathered a merry party of Mates—conspic-
uous among them, a Baker and a Miller, with flour, whom I
later discovered to be Cousins. There was a Taylor with Hugh(s) at
his belt and, to add sanctity to the assemblage, there was a

LaBounty is author of “The Call of the City,” “Who Invaded Uncle
Barn’s Larder,” “Defense on Behalf of Myrtle Reed,” “The Preps know
more than the Freshmen,” “What are you saying about me in the Kaldron?”

There is One—Armstrong.

Mr. LaBounty hitched his wagon in those far-off undergraduate days. Now he renders “Measure for

his belt and, to add sanctity to the assemblage, there was a
Parson(s), an English Abbott, and a Bishop. Still the ensemble was not very Meek in appearance.

On inquiry they were found to be a Dennison team on their way West to play Ball with Allegheny College, Wheeling with them their supplies—Bacon, a Peck of Cole and other Staples.

On the invitation of a Friend, I joined the company on their journey. Down the road we started, past the dainty Jessamine with its Hazel blooms. De Land was rising and soon we mounted a Hill from whose summit we could Seymour and in the low valley beheld a beautiful stream reminding us of the Jordan. Toward it was strolling a Fisher seeking a Ford.

Far above us circled a Hawk which soon Litten a Limber branch ahead of us. As we entered De Forest a Beaver and a Fox scampered away. De Young Hunter started after them but stumbled on the Arch of a Root and soon gave us the Chase. He was not Hill(1)-born and the sight of a mountain Cra(1)g daunted such a “Hefty” man.

The procession continued over the crest of the Hill (Round Top, of course). Then we saw Allegheny plainly for nothing Shields our view from there. On the way down the slope our Abbott picked up an Emery. “Ah, a Firestone!” He struck it. “Oh, Lord! How it Burns.

We neared Montgomery Field with gay blasts from the Horn and passing the Hall, entered the Field. The Bishop, manager of the team, conferred with “Erie” about the terms of the game. The Bond had not been drawn and as the Price was too Low(e) he refused to play. With the Loan(e) of a few Nichols they would undoubtedly have tackled the game which Allegheny was sure to Winn.

The Bishop was Weiss, and no Penman had drawn up an agreement Else Allegheny had had the Power to Hayes them. He had not the Grace to Grant any concessions and the team withdrew, passing Old Bentley as the Bell(e) pealed forth “summa Victoria.”

Love goes hand in hand with Duty, Especially when “spring has come.” I can hardly hold my horses; Oh, you Math I. son-of-a-gun.

I am editor of the Lit Monthly. Hurrah for Billiken and “Hill” Bryan. I write poetry whenever I feel like it, Whether I’m walking or whether I’m flyin’.

Love goes hand in hand with Duty, It could never break away; Love goes hand in hand with Duty, I repeat it; Hip! Hip! Hooray!

Love goes walking; so does Duty. Both go walking; that’s all right. Who is Love and who is Duty? Hand in hand; yes, just for spice.

Love goes hand in hand with Duty, That’s the thought when acted out. Some word rhymes with “out” I’ll bet you, Whether with or whether without.

(The end.)
What The Duzer Du Dudes Do

Alice—Whispers "Special meeting" to the rest of the club; travels for properties; don't tread the boards, but dusts the wings.

Phillips and Criszwell—Sit in orchestra section; do specialties between acts; give brilliance to the picture.

Boyd—Stubs around kicking up pop, clocks and old furniture; his lot was cast in "The Rivals" last year.

Ford—The "local" talent; corporation lawyer for the club in their theatrical suits.

Harris—Chaplain, is an artist and draws the club nearer to their ideal; they say he's a bad actor.

Cochran—Typifies the height of their ideal; carries peanuts for the elephant; waters the cabbage.

Apple—A seedy specimen; dropped before he was ripe, was canned and preserved for future use.

Gahan—Starts the laughs and sells tickets; measures the costumes, and debates for the honor of the Duzers.

Kennedy—Alice's pet; he fetches her to rehearsals, and creates comedy; he is handy around the women - - - of the cast.

Robinson—Proclaimer; an important member; helps in the advertising; official correspondent.

Hughes—Press Editor; explains the plays to Miss Spalding and the public; elevates the scholastic standing of the club.

Maxwell—Dramatic coach; "Bill" poster; gains notoriety for the club in the eyes of the faculty.

Hilborn—The only proof that the club isn't the Omicron chapter; has a vote; "The Climax."
Lost in Hulings Hall

Harper (to maid of Hulings Hall)—"Oh, who did I come after now?"

Still at a loss he appeals to Stidger—"Who's that girl I'm going out with? That friend of Sam Maxwell's?" Both ponder.

The name was Miss Gillette.

A Choice

Dr. Snavely (Feb. 9)—"Gee! I'd rather be sick than go to faculty meeting this afternoon."

Wake Up

Professor Akers in (Math. I.)—"What is the integral of the 12th? Doesn't anyone of this brainy outfit see that?"

Modern Chivalry

"Vergilins" Calvin (answering the telephone)—"Hello, is this Miss Bassett," and absent mindedly tips his hat.

The God He Worships

Professor Dutton read in Chapel—"Let the words of my heart and the meditations of my mouth be acceptable, etc."—some new brand, perhaps.

Wasn't There

Professor Armstrong (in Public Speaking III.)—"What would President Crawford say in introducing a famous musician?"

Firestone—"I wasn't in chapel that morning."

A Fruitful Reply

Phi Psis (to Apple before initiation)—"Now we have a green Apple."

Apple (meekly)—"There won't be any Apple sauce."

The Meaning

Economics I.—What is meant by "squeezing the shorts?" Attention was directed to Boyd and Croasmun.

Apply to the Registrar

Dr. Smith (to Robinson)—"Does Miss Duffy take Psychology?"

Robinson—"Why should I know?"

A Definition

Craig (discussing athletics)—"A manager is a servant to the rest of the faculty."

Hulings Hall Hour Glass

"Has the second bell rung?"

"Yes, Boyd is leaving."

Asked and Answered

Dr. Mulfinger (after reading a passage in German)—"Will the person who read please translate?"

Suspense—

"Oh! Nobody read; I read."

Retort

Fisher (in Greek II.)—"There was three."

Dr. Elliott—"There was, was there."

Fisher (retorting)—"There was two."

A Penalty

Dr. Elliott (to Hillman at Classical Club Greek Feast, who was unable to answer his question)—"Your penalty is salt. You're pretty fresh aren't you?"

The Kind and the Place

Professor Armstrong (in Public Speaking III.)—"Do we have editorials for amusement?"

Barkley—"Yes! ! !"

Professor Armstrong—"Perhaps—in college magazines."

Dative of Place, Manner and Means

Dr. Elliott—"Please leave the chairs out of the aisles so we won't need to hurdle them."

Student—"We get jumped on enough anyway."

Apropos

Hickernell (at Senior banquet)—"My heart is with my class."
Not Found Everywhere

Miss Spalding, talking over the prospects of the cast for “She Stoops to Conquer”—“Now, Mr. Robinson, I don’t quite like the persons who have tried out for Aminadab. Are there any more down at your place who can play the part of a ‘drunk’ in the ale-house scene?”

A Grasp on the Subject

History V.—Who introduced the tariff on brown sugar?
Piper—“Hugger of South Carolina.”

Up on Mythology

Latin II.—Who were the Danaids?
Miss Patterson—“Fifty of them—who killed all their husbands but one.”

Learned Something

Bible II.—When did John the Baptist die?
Baker—“I didn’t know he was sick.”

What It Meant to Him

Philosophy II.—What is meant by the autonomy of the soul?
Firestone—“It means the pains and sorrows.”

A Mistaken Identity

Registrar (to “Sig” White)—“Are you Jack White, Charlie White, or Elma White?”

A Distinction

Meadville girl to college man—“I know a number of the Preps, but not many of the students.”

Dust

What the Hulings Hall girls are supposed to do once a week.
What the janitors are after.
What the College Book Store gets.
What the Ethics class did on April 9.
What is never found “on” the pies of Cochran Hall.

Cochran

When he comes walking down the street,
All you can see is two big feet.

Titusville Audience at Glee Club Concert

“Too bad the piano was out of tune.”

Borrowed Learning

A young lady of Hulings Hall—“Have you anything to read?”
Miss Dungan—“No, but I’m going to borrow ‘A Certain Rich Man’ from the Sig house.”

Adaptability

Fixel, (to “Chug” More, his room-mate)—“Will these two cases hold all our books?”
“Chug” More (complacently)—“I think so. I have my four in.”

Probably Sub Rosa

At a recent meeting of T. N. E., Grand Mogul Swick raised a stein of Coca-Cola and proposed the following toast to Harris, Wagner and Wieler:
“First in War,
First in Peace,
First in the hands of the Cambridge Police.”

Rossiter

There was a young man from Erie; Christianity made him quite cherrie.
His name was S. Y.,
He escaped we espy
From the jungles of Rio Janerie.

Rejected Candidates for the Myrtle Reed Club

E. S. Armstrong, (too sarcastic).
W. Gustaf Fixel, (too officious).

TWENTY-THREE YEARS

IN one building and under the same management means reliability and is a guarantee that our students receive the right kind of training. The enrollment has increased from year to year and the growth of the school has been steady and substantial.

Practical courses in bookkeeping, shorthand, type-writing, penmanship and the attendant branches are offered—the kind of training that prepares for good positions.

Each and every student is placed on his own responsibility and is allowed to complete his course as rapidly as his ability will allow. Individual instruction is the key to the progress of each student and no embarrassments are caused from class recitations. New enrollments are made on each Monday of the school year. This plan allows students to start at any time.
