"Don't sell our soldiers off to die for an unjust cause."
The 2006-2007 school year kicked off with the orientation of a new class of students. This year's incoming class, the Class of 2010, was comprised of 570 full-time students representing 37 states and 31 countries. During Orientation, new students were provided the opportunity to explore their surroundings and connect with peers through various activities, including a scavenger hunt, all-college picnic and Survival Bingo. After all was said and done, new friends were made and new Gators were born. A new chapter in their lives had begun.

"Enter the Center" brought a plethora of fun... and there were TONS of people there!

"There was plenty to do in the game room... and there's nothing like a game of Survival Bingo to kick off the year!"
Nine hundred volunteers came early to Diamond Park on Saturday, October 7, 2006 to help out with Crawford County's annual Make a Difference Day. Approximately 600 Allegheny students joined community members to do local service projects around the county. The day resulted in over 100 skilled and semi-skilled projects from gardening to house cleaning, and included the construction of seven wheelchair ramps, a shed, and the repair of roofs and porches.
This year’s Homecoming weekend celebrated the arrival of many great new events at Allegheny. The celebration kicked off on Friday, with Allegheny’s first ever Pep Rally. With pie and pickle eating contests, music and dance performances, and free t-shirts, fun was had by all. On Saturday, the Vukovich Center for Communications Arts groundbreaking occurred and the day culminated with a valiant, 30-13 football victory over Ohio Wesleyan, in the first ever night game at Frank B. Furber Field, making for a perfect ending to a wonderful weekend.

This year's Wingfest, sponsored by GAP, featured free music, free t-shirts, and of course... free wings! The day kicked off, as usual, with the start of the free wing madness and moved on with "Clarias," a Boston band, kicking it into drive and entertaining the crowd with their music. The Chicken made its way around the crowd, stopping random college students and getting them to do various stunts (from eating wings without your hands to performing the infamous "Chicken Dance"). This was followed by more music and plenty more fun. Certainly, it is safe to say that this year's Wingfest was a blast.

Students love any chance they get to eat free food.

"Clarias" entertaining the crowd.

This is indisputable evidence that college students will do anything for a free t-shirt!

Grounds for Change

The majority of our customers are students looking for a good caffeine fix. - Jimelle Crosser '07

Grounds for Change celebrated its tenth birthday this year with a blowout larger than anything the little coffee house had ever seen. From February 2nd-4th hundreds of current students, prospectives, and alumni streamed through GFC for live bands, birthday cake, and coffee. Throughout the weekend students were given the opportunity to meet some of the founders of Grounds for Change and other ex-board members. Discussions, breakfasts, and networking sessions worked toward making connections between the past and present GFC fans. As the celebration wrapped up current board members were left with one final word from the past, keep GFC in line with its original goal. Keeping coffee flowing and being a great homework spot is important, but maintaining the status as a literal grounds for change is what really matters. - Krystle Castillo '09

The GFC birthday reunion united past and present members of GFC including Jabe Best '03; Cynthia Mason; Asuka Ishizaki and Andreas M-Miller '04; Kaillen McCormick '05; Jenny Picciano '06; Jimelle Crosser '07; Mike McKay, JC Bangoy, and Haley Hoeneke '08; and Jonathan Steele '10, along with numerous other current students and alumni.

Sororities

Sisterhood is many things. It's a warm smile on a cold and rainy day, a friendly hug, a cheerful hello. It's all that is good and lasting friendship is, only better. It's treasured. It's coveted. It's knowing that there will always be someone there for you. It's dreams shared, and goals achieved. It's counting on others and being counted on. It is real. *Anonymous

In keeping with Allegheny’s commitment to provide students with a liberal arts education of high standards, the Senior Project is not a mere report or semester paper, but a significant piece of independent study, research or creative work conducted under the supervision of one or more faculty members. The outcome of a Senior Project is more than a grade or a written document; for the student it often results in a new way of looking at complex problems and inspires an appreciation for the power of ideas that might previously have seemed like abstract concepts in textbook. Often it can be a pivotal moment where a student realizes his or her own abilities and potential. A sampling of titles follows.

**The Hillside West and Center**

Accessed May 2007:

On Sunday, May 13, 2007, Allegheny awarded degrees to 355 students at the commencement ceremony which occurred on the beautiful lawn of Bentley. President Richard J. Cook and Board of Trustees, Eddie Taylor, Jr. '87 welcomed the graduates, families and guests. Featured commencement speaker, Linda Stout, an author, activist and lecturer was awarded an honorary doctorate in humane letters from the college. The Allegheny Brass Ensemble played during the procession with Professor Lowell Hepler conducting. The 2007 class valedictorian was Amanda Wells.
The 2007 Kaldron could not have been completed without the help of many resources on campus. Among those we thank for their assistance are the employees of the Athletics, Sports Information, Community Service, and Learning Commons offices; Penny Frank, Public Affairs Graphic Designer; and the numerous students who assisted in identifying the faces and names of many who appeared throughout this book. Additional thanks is given to Allegheny Student Government for providing a portion of the finances necessary to create this memory book, as well as every student who submitted photos for consideration. Finally, we thank the staff of the Student Activities Office for all of their help and support throughout the year.

The 2007 Kaldron was designed and completed using Josten’s Yearbook Avenue on-line program. The book was published by Jostens Publishing Company, located in State College, Pennsylvania. Senior portraits were taken by DaVor Photography. The Kaldron is provided as a gift to all members of the senior class.

Congratulations to the Class of 2007, we hope you enjoy this year’s Kaldron!
