

United States Steel Corporation.

71 Broadway, New York,

April 2, 1925.

OFFICE OF THE CHAIRMAN

Miss Ida M. Tarbell,
120 East 19th St.,
New York, N.Y.

My dear Miss Tarbell:

As requested, Judge Gary read the portion of page 22, Chapter IV, which you added a day or two ago concerning foreign trade. It was approved, except he changed the one word "done" so that the clause reads "something that no American iron and steel maker had as yet satisfactorily accomplished". The pages 22 and 22-a are returned herewith.

Very truly yours,

Secretary to Judge Gary.

Enclosures.

P.S. Three extracts from the scrap book, dated respectively November 12, 1901, April 4, 1902, and October 29, 1902, copied at your request, are also enclosed.
