Mr. F. A. Scott  
5701 Carnegie Ave.  
Cleveland, O.

My dear Mr. Scott:

I think I wrote you some little time ago that at Mr. Baker's suggestion I was writing to Mr. John W. Martyn, Secretary to the Secretary of War, concerning the letter or memorandum which you sent to the Secretaries of the Navy and War Departments some time in the spring or early summer of 1917. I am enclosing a copy of Mr. Martyn's reply.

I hope I am not imposing on your good will in asking if you can give Mr. Martyn any more precise indication of the date of the letter than you have already given me. I shall greatly appreciate any further help that you can give me.

Sincerely yours,
