Peekskill, N. Y.

My dear Sister Mary Theodora:

Judge Gary asked me to acknowledge, with many thanks, your kind and very interesting letter to him dated July 2nd, and to say that he would be glad to have copies, as soon as available, of the photographs which you propose making of illustrations contained in an old book showing the old John Bissell ferry across the Connecticut and Deacon John Moore's old home, and any others. Perhaps such pictures could be used when Miss Tarbell publishes in the autumn in book form the chapters of Judge Gary's life which are now appearing in "McClure's Magazine".

With kind regards,

Very truly yours,

Secretary to Judge Gary.

Copy to Miss Tarbell.
