Mr. Jewett.

McClure E. Stone told me
to-day that there are some minor
errors of fact in one of Mrs. Tarbell's
articles on Judge Gary (in reference to
one Hecht or Stear on some such person -
I do not know). He says he knows
Mrs. Tarbell and would gladly point this
out if she care to telephone him at
the Luta Club any afternoon.

I left a memo. for you that Concord
(not Portsmouth) is "the capital of N.H. on
the Merrimac River". This error appears
in one of the first chapters in McClure's.
